MEMORANDUM FOR THE RECORD

SUBJECT: Purchase of Towels and Handkerchiefs

25X1
The Project has been required to purchase for use by [redacted]
certain items (6 towels and 6 handkerchiefs) which are generally considered
to be an individual's personal responsibility to have in his possession.
25X1 However, because of the tight schedule imposed upon these persons in deploy-
ing from [redacted] where such items are furnished, to Isolation where they
25X1 are not, it has been deemed advisable that the Project stand the expense.
Upon the [redacted] return from Isolation, these articles will be returned
to Project Headquarters for use by other groups deploying under like cir-
cumstances.
